Charleston, SC. Work Volf Consultants, LLC has been selected as one of eighty U.S. consulting firms providing a broad range of services to improve the performance, effectiveness and financial sustainability of W.K. The mission of the Kellogg Foundation supports children, families, and communities as they strengthen and create conditions that propel vulnerable children to achieve success as individuals and as contributors to the larger community and society. “Over the years, the Kellogg Foundation’s programming has evolved, striving to remain innovative and responsive to the ever-changing needs of society. Today, the organization ranks among the world’s largest private foundations.” (www.wkkf.org)
